Dear Capella University,

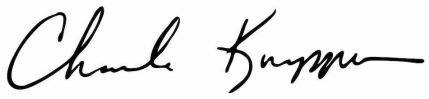
I am writing today to recommend Nikki Giovanni Huff. Nikki Giovanni has been a key member of the The National Society of Leadership and Success Chapter at Capella University and has completed a rigorous leadership training program through our organization.

In order to achieve membership in the Society, Nikki Giovanni chose to attend many hours of training focused on teamwork, goal setting, high achievement, leadership skills and styles, self-motivation, and accountability. Instead of needing to learn these skills on the job, Nikki Giovanni will come to your organization with them already developed.

Through many hours of hard work, and after being reviewed by both the staff at their college as well as our National Office, Nikki Giovanni has been awarded a Certificate of Leadership Training. If you have not heard of The National Society of Leadership and Success' certification program, you may not realize how much work is involved for a member to achieve Nikki Giovanni's status. Since joining, Nikki Giovanni has attended training broadcasts with presenters such as Sir Richard Branson, Trevor Noah, Deepak Chopra, Arianna Huffington, and Anderson Cooper. Additionally, through bi-weekly mastermind team meetings, she has learned how to use a peer group to increase performance. After each meeting, Nikki Giovanni completed a journal to document her progress and goals.

I am highly recommending Nikki Giovanni.

Very truly yours,



Charles Knippen
President
